To Whom It May Concern,

I have worked in a professional capacity with Adam Green for over six years and am continually impressed with his focus, energy and attention to detail.

When Adam is working on a project, I know there will be followup, and that details will not be missed.

Adam is self-motivated, tenacious, and has a rare capacity for comprehension. He maintains a strong network of business influencers and is recognized as a leader among them. He regularly makes connections that generate new business opportunities.

Most impressive is Adam's integrity. I have witnessed Adam in situations where business and relationship decisions were challenged, and he consistently chooses a path that demonstrates open and unwavering trustworthiness.

Adam Green is a remarkable leader and an effective team player. I have enjoyed working with him, and am proud to state that our working relationship has evolved into a personal friendship that I will continue to value.

Sincerely,
