

To Whom It May Concern:

I have been acquainted with Adam Green and his family for many years. In the last two years I have been acquainted with Adam in a working environment and I am pleased to write a letter of recommendation for him.

Adam is focused on a successful career in business. He is a hard worker and brings impressive credentials to enter the MBA program. Adam has an ability to work hard, to bring creative ideas into working situations, and brings a special sense of humor and willingness to work with others. He has had a broad experience outside the United States that will serve him well as business must now become responsive to the world community.

I believe Adam will bring the commitment, intellectual tools, and creativity to his work in the MBA program that will insure his success.

I have served as President and CEO of ZCMI and Desert Book Company. I am now Director of Humanities Center and Professor of Humanities at the University of Utah. In addition, I am a partner at TechniGraphics, a trade book bindery in Salt Lake City.

I highly recommend Adam for the MBA program. If I can furnish any further information or support, please feel free to contact me.

Sincerely,

Lowell M. Durham, Jr., Director
